Roblox Class Computer Requirements

INSTRUCTIONS:

1. <mark>Go to this link and download Roblox Studio.</mark> Requires a free Roblox account to download. Create a Username and Password that your child will remember. https://www.roblox.com/create

2. <mark>You must have a Windows or Mac Laptop/Desktop Computer</mark>. Tablets/iPads, mobile devices and Chromebooks are not suitable for Roblox classes. Please use a mouse if possible for class, Roblox Studio is more user friendly with a mouse.

3. <mark>Please have Zoom installed on the same computer as Roblox.</mark> You can connect using this zoom link at your scheduled time. This will bring you to our "waiting area" while the coaches wrap up their previous class. https://zoom.us/j/8397195438?pwd=R2p0NDdHY0lGYTJxRXFBWDh3by9aUT09

   ➢ **Please check your Zoom user name before entering the Zoom classroom.** The coach will only allow students in the classroom once the name is correct.

PLEASE NOTE:

Just so you know, we will be sharing the screen back and forth and the coach will also ask for control to enter credentials and to help kids if they are having troubles.

Please test your speakers/mic before class. Make sure you're in a quiet place free of noise and distraction. You can use headphones if you'd like to block out noise.
